## Identify the type of number the following are:

13

Whole Number	Natural Number	Integer
--------------	----------------	---------

1

Whole Number	Natural Number	Integer
--------------	----------------	---------

-6

Whole Number	Natural Number	Integer
--------------	----------------	---------

0

Whole Number	Natural Number	Integer
--------------	----------------	---------

3

Whole Number	Natural Number	Integer
--------------	----------------	---------

-200

Whole Number	Natural Number	Integer
--------------	----------------	---------

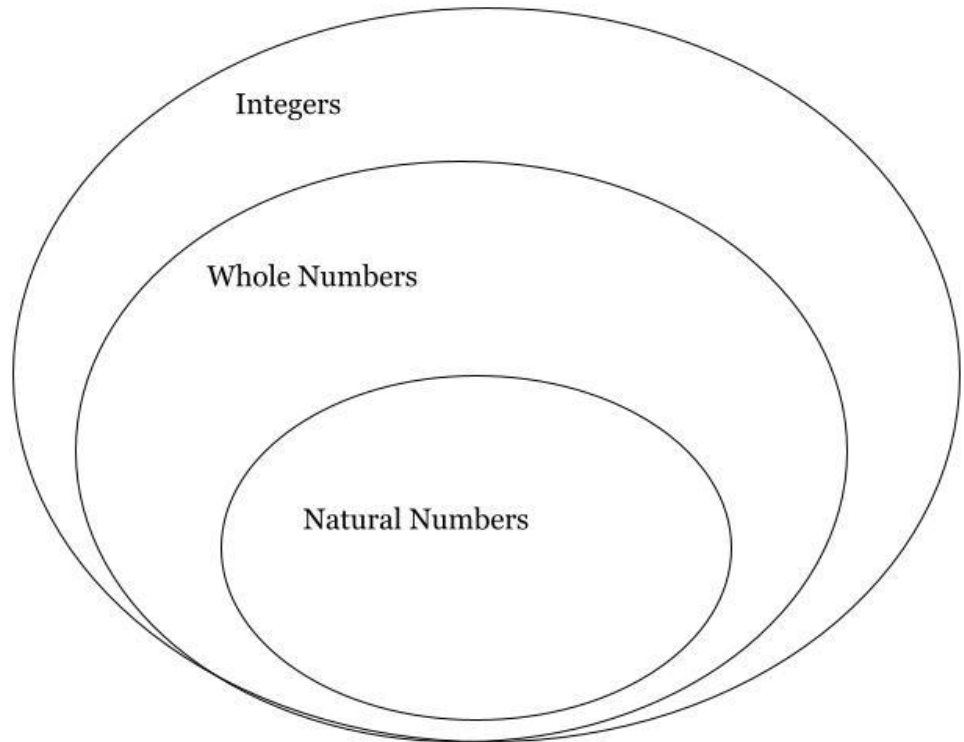

-5

Whole Number	Natural Number	Integer
--------------	----------------	---------
